Wauneta Housing Authority Achieves Smoke Free Designation

Wauneta – Wauneta Housing Authority has achieved Smoke Free designation on their three buildings. Housing Director Leann Hunt maintains this opportunity for tenants to be in a 100% smoke free building with the approval of her board of directors.

“Through education from Smoke Free Nebraska, they have emphasized that secondhand smoke migrates,” states Leanne. Air quality studies in apartment buildings show that anywhere from 5% to 60% of the air in an apartment unit moves to other units in the building. Contrary to popular belief, secondhand smoke cannot be controlled by ventilation or air cleaning.

“Wauneta is to be congratulated for this step to protect tenants, especially children, from the effects of secondhand smoke,” complimented Denise Ringenberg, Health Educator at Southwest Nebraska Public Health Department. “We want to recognize Leanne and her board for their efforts and encourage other landlords to consider similar action.” Board members include: Rich Greeley, Steve Noble, Bob Walgren, Lynn Haarberg and Mindi Goings.

Southwest Nebraska Public Health Department will assist area Housing Agencies and private landlords implementing smoke free policies. Additional materials are also available to assist in creating awareness of smoke free housing. Listings of smoke free rental housing in each community are under development that will be shared with area chambers, real estate companies and housing agencies.
