Housing Agencies Achieve Smoke Free Designation

McCook – Nine housing agencies have achieved Smoke Free designation for their buildings. Housing Directors and board members have worked diligently to provide this opportunity for tenants.

Housing Agencies with smoke-free policies include: Arapahoe, Cambridge, Grant, Imperial, McCook, Oxford, Palisade and Wauneta.

“These directors and landlords are to be congratulated for this step to protect tenants, especially children, from the effects of secondhand smoke,” complimented Denise Ringenberg, Health Educator at Southwest Nebraska Public Health Department. “We want to recognize these leaders and their board members for their efforts and encourage other landlords to consider similar action.”

Southwest Nebraska Public Health Department will assist area Housing Agencies and private landlords implementing smoke free policies. Additional materials are also available to assist in creating awareness of smoke free housing.
